# Classic collection

by **PROSTORIA**

**Classic** collection is unintrusive but its prototypical conception and formal rigidity give it a universal reliable character. It is precisely this universality that allows the soundness of the design and the quality of the materials to speak for themselves. The variety of modules and variations in their width have contributed to the popularity of the set, making it equally suitable for both public and residential spaces.

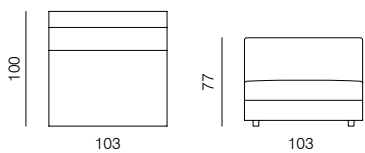

SPECIFICATIONS AND TECHNICAL DRAWING

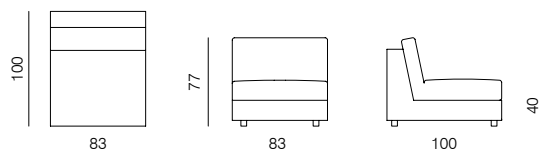

STRUCTURE	solid wood, plywood
SUSPENSION	wave springs
SEAT & BACKREST	HR foam, polyester wadding
BASE	PVC
