Klaster collection

by NUMEN / FOR USE

Klaster is a flexible modular system made up of minimalist cubes. It consists of 14 modules: 6 seats, 4 low and 4 high backrests and 3 sofa bed modules which can be freely combined into any number of exciting configurations. The visual identity of the modules aims for a certain degree of neutrality, thereby enabling maximum creativity when it comes to their arrangement and use. The sofa bed modules can be combined with other moduls to build bigger com-

positions (please take care of exceptions). Thanks to the variety of the modules and their multifunctionality, Klaster is equally suitable for both domestic interior and public space.
