MAX

Art. no.: 2-133

Description:

Simply functional Two functions in one pouf: Use the MAX pouf for sitting or transform it into a bed by flipping the seating surface. The comfort is superb, and it's easy to handle. The design is simple and stylish and doesn't take up much room. Can be used as a stand-alone piece or in combination with any sofa set.

Year of design: 2009

Function:

Easily transforms into a single sleeper by flipping the seating surface.

Sales Arguments:

Simple and functional...

Two functions brought together in one piece of furniture: sitting and lying down (sleeping) in superb comfort.

Easy to transform into a bed by flipping the seating surface.

A simple, attractive shape that does not take up much room. Can be used as a stand-alone piece or combined with any sofa group.

Design: Müller & Wulff

The design studio Müller Wulff (Thomas Müller and Jörg Wulff) was founded in Berlin in 2001. From there, the designers work for selected national and international companies designing furniture for private homes and offices. The overarching goal is to create an emotional and functional added value for the user by using a self-explanatory design language that clearly communicates the fundamental story behind each design. Müller Wulff has won a number of internationally renowned design awards: Red Dot Design Award, German Design Award, Good Design Award and Interior Innovation Award.
