MOAI

Description:

Relax and drift away

The large shell of the MOAI chair is inspired by the soft shapes of bricks and stone rolling back and forth on the beach. It's designed to close comfortably around you when you sit in it. A quiet little room on four legs that lets you have a peaceful moment for yourself, created for privacy with optimum acoustics.

The distinctive notches around the armrest add personality and act as comfortable support when you're getting up. From the side, the MOAI chair has a unique and slightly naive expression that's reminiscent of the massive sculptures of faces on Easter Island.
