SISTERS

Description:

Four elements connected

SISTERS is a unique collection of sculptural and versatile poufs and sitting units. They are designed without a particular "direction" and can be placed freely in the surrounding environment, giving you unlimited creativity to play around with the design. The design is soft, light and organic, they come in four sizes that can be combined or used alone. The largest size has a comfortable backrest, which makes it perfect for installations in large waiting areas and public spaces.
