VENUS

Art. no.: 2-452

Description:

A sofa with a personality VENUS is an elegant sofa with a built-in sleeping function. The simple and light steel frame runs along the backside of the sofa – a special detail that invites you to place the sofa in the middle of the room so the design can be enjoyed from all angles. The built-in armrests and soft backrest create maximum comfort, and in spite of the size, VENUS is easily transformed into a bed to fit adults. Winner of Good Design Award 2017
