

HÅG's mission is to bring movement and variation to the workplace. HÅG products stimulate intuitive and natural movement of the body and variation of sitting postures leading to improved health and productivity.

## HÅG Futu® collection

- With our signature HÅG in Balance® technology, made to ensure more natural movement as part of your everyday workflow.
- Because of its streamlined dimensions, it seamlessly blends into any working environment.
- User-friendly and well suited for multi-user office environments.
- Adjustable seat height, seat depth, lumbar support, tilt resistance/HÅG in Balance®, lockable tilt, armrest height and armrest width. (The HÅG Futu Communication models do not include adjustable tilt resistance and the tilt locking function.)
- Choose among seven beautiful matching textile and mesh colors.

Design: Marianne Støren Berg/KODE Design, Leif Isachsen/KODE Design and Halogen, Aleksander Borgenhov/PowerDesign, Flokk Design Team  
Patent- and design protected

## QUALITY

### 10-year guarantee:

- HÅG provides a ten-year guarantee against production defects on all office chairs that are in normal use for up to 9 hours per day.

### Certifications (model 1200):

- Tested in accordance to EN 1335 Class A, ANSI/BIFMA X5.1, GS mark and BS 5459-2, NPR 1813 (with 3D armrests) and Swedish Möbelfakta.
- Flokk is certified by DNV-GL according to ISO 9001.

### 5-year guarantee for 24/7 usage:

- HÅG provides a five-year guarantee on the HÅG Futu with textiles from our standard collection for usage exceeding nine hours a day. The chair has been tested in accordance with British Standard BS 5459-2, which is often used to test intensive use (24-hour usage). See HÅG's price list for detailed guarantee terms.

### Maintenance:

- Vacuum clean the chair with a furniture brush or wipe it with a clean, white cloth or sponge slightly dampened with clean lukewarm water. Do not remove any plastic parts or attempt to open the seating mechanism. Contact your Flokk dealer if the chair requires servicing or maintenance.

## ENVIRONMENT (HÅG FUTU COLLECTION)

- Easy to disassemble without need of any special tools
- Contains 36% of recycled material (post-consumer and post-industrial waste)
- Low carbon footprint at 53,7 kg CO<sub>2</sub> equivalents
- Contains no hazardous chemicals

### Materials specifications (1200):

- Steel 38%, Plastics 33%, Aluminium 21%, PUR 5%, Textiles: 3%
- Share of recyclable material: 95%

### Certifications:

- Flokk is certified by DNV-GL according to ISO 14001:2015
- Environmental product declaration (EPD) – life cycle analyze of the chair based on 14025-EPD
- GREENGUARD certificate – ensures a healthy indoor climate, in which the chair meets strict chemical emissions limits
- Möbelfakta certificate – Swedish environmental, quality and social responsibility certificate
